Latest appointments at Voith Commercial Vehicles Division

Voith Commercial Vehicles Division has appointed **Quintin Gruhn** as key account manager, reporting directly to **Frederick Smit**, with effect from 1 November 2015. Gruhn will be responsible for nurturing profitable growth in Africa by being the main interface between Voith and selected key accounts, representing sales, service and parts. He has a BEng in Mechanical Engineering from the University of Johannesburg. Gruhn has worked as a project engineer for AEL Mining Services, prior to which he was operations project manager.

Clyde Kadondo has been appointed field service technician, reporting directly to **Mark Loubser**, with effect from 1 November 2015. Kadondo is a qualified diesel mechanic with over ten years' relevant experience. He most recently worked for Northwest Star Watloo as an artisan diesel mechanic. Kadondo will be responsible for hands-on technical installation, testing and repair, maintenance and/or repair of Voith retarder and DIWA transmission components.

Further information is available on the Voith website at www.voith.com.
Voith is also on Twitter and YouTube.

Voith sets standards in the markets of energy, oil and gas, paper, raw materials and transportation and automotive. Founded in 1867, Voith employs over 39 000 people, generates €5.3 billion in sales and operates in more than 50 countries, making it one of the largest family-owned companies in Europe.
